We take pleasure in introducing SNS ASSOCIATES as one of the leading global procurement companies in the Finish Interior Products and floorings arena. We have been in existence for over 12 years and currently operate with lots of Interiors & Architects in PUNE and PIMPRI-CHINCHWAD area as well Mumbai. **Our mission** is to ensure that our customers are successful in meeting their objectives when purchasing any type of finish interior product for commercial usage.

Advantages that SNS ASSOCIATES offers are:

- a) Deep industry expertise in floorings, wallpapers, blinds, carpets, False Ceiling which allow the company to procure the right product for the customer.
- b) Strong service capabilities due to corporate network as well as local service persons in Pune. Very few companies have a large corporate infrastructure outside of Pune while having the capability to provide local service.
- c) Culture of integrity and customer focus
- d) Wide range of products in stock, which gives the customer more choice as well as quick service in case of any problems.
